#### Warranty & Responsibility Clause

Materials supplied by the client are installed at the client's own risk. No responsibility is accepted for defects, failures, or performance issues related to client-supplied products.

All materials supplied by us are covered by the manufacturer's warranty. We will facilitate repair or replacement of defective items in accordance with the applicable warranty terms.

We take full responsibility for the quality of our workmanship. Any defects arising from poor workmanship will be rectified at no additional cost.

The client is required to inspect the completed work and report any defects or snags within 14 (fourteen) days of completion. Failure to do so will be deemed as acceptance of the work.

Call-backs or repairs reported after this period, or resulting from misuse, external damage, normal wear and tear, or unforeseen events, will be chargeable.
